Dear Sir / Madam,

CITY CLERK'S OFFICE

Re: Property Standards Order  
Occurrence # EF: 2022 204230 EF

I received the above Property Standards Order with a compliance date of June 1, 2026 to have the noted repairs completed as requested by the Enforcement Officer.

I am requesting an extension of the Compliance date to Sept 30, 2026 as I am pulling up the house / property for sale this summer. Please note that if I am able to sell it sooner, your office will be notified.

Due to poor health and physical limitations in the past couple of years, I am no longer able to keep up with the repairs and maintenance to the house and yard.

I hope you will take my request into consideration.

Sincerely,

Kathleen Isabel Gordon
