

Hello,

Please note the following response to Speak to City Council has been submitted at Friday October 6th 2023 7:27 PM with reference number 2023-10-06-009.

- **What would you like to speak to Council about:**  
calendar parking
- **Is this an item scheduled on a current agenda?:**  
No
- **Provide as much information as you can about the matter you would like to speak to:**  
When calendar parking was first instituted, it was sold to the citizens of Thunder Bay as the "efficient removal of snow"; the idea being that all the vehicles on a particular city block would all be on the same side of the street. This would result in the snow plow making 1 clean pass of the street with no obstructions and this would result in cost savings. In the first years this is what happened, In the last few years, however, the snow plow is doing both sides of the street on the same day. This means that calendar parking no longer is about "efficient removal of snow", but instead is nothing more than a greedy grab of money from the citizens of Thunder Bay. Therefore, I would ask City Council to retract the bylaw for calendar parking.
- **Provide specific actions you would like Council to take:**  
Remove calendar parking from city bylaws
